RICHMOND CALIFORNIA, SATURDAY MORNING, JANUARY 29, 1916. NUMBER 307

FACES RAPE CHARGE--TOO COMMON, SAYS ATTY. CARLSON

Assistant District Attorney T. M. Carlson, who yesterday afternoon summoned Steve Lamuth, charged with rape and Alice Domingo, charged with masquerading in male attire, to appear before him and explain their alleged illicit relations, states that the District Attorney's office has reason to believe that this case is but one of many which are in existance in this city and that mimediate steps will be taken to eradicate the condiion, the first of which will linely be to make an example of Lumuth and the girl.

The Domingo girl, who was found in Lamuth's room at the hotel D'Italia last evening by the police dressed in men's clothing is the sister of Rosa Domingo who was killed and her body thrown in the bay by Ali Kahn a Hindoo two years ago.

Lamuth who is an Austrian is employed at the Standard Oil company works. When Officer Livingston entered the room last night in response to the summons of the management of the hotel who announced a fear that all was not well in the man's apartment, Lamuth was not in and the girl was found secreted in a closet.

The hotel people stated that they had suspected that Lamuth and the girl were having questionable relations and that they were aware of the girl's sex by her light read on the starway which led to the man's room and her general appearance and bearing. It seems that the girl had been making her way to Lamuth's room in the guise of a man for some time and that the hotel management has been awaiting an opportune time to start an investigation.

The mother of the girl, Mrs. John Domingo, of Stege, is in favor of the couple's marriage, but the District Attorney's office states that this would not be satisfactory adjustment and maintains that an example could be made of Lamuth which is the cause for thep lacing of the serious charge against him.

LIVE WIRE IS TRAFFIC MENACE

The efficiency which is the byword of the Western States Gas and Electric Company was exemplified last evening when a live wire was discovered by the police at Second street and Macdonald evenues which for a short time plunged Point Richmond in darkness and imperilled pedestrians and traffic on the wet street.

A repair corps was sent out from the company's headquarters and had the trouble adjusted in a jiffy.

DENIES REPORT

Reports that the Bank of Richmond is planningto open a branch in the building vacated by the Red Front were denied yesterday by C. S. Downing, president of the organization.

Kept Phone 87 Busy For 20 Minutes

A practice which has been indulged in by several persons of late and which has caused the police no end of trouble yesterday resulted in the arrest of Bernard Johnson, Standard Oil employe, who is now being held on a charge o having passed fictitious checks on a local merchant.

Johnson called up the station and asked night Sergeant Standiford to send a corps of officers to 23rd and Macdonald evenues where he wished them to raid a certain place. He did not give his name nor at what place he was when he phoned but continued to engage the officer in conversation which prevented Standiford from using the phone.

The latter investigated to find out where the man had telephoned from and then dispatched officers Lang Cox and Mahnke to find Johnson. They found him at Mack's bar where he was taken into custody.

Several similar cases have bothered the police during the past few weeks.

TIM RIORDAN ANSWERS SUMMONS

Timothy Riordan a resident of this city for the past eleven years and the son of Mr. and Mrs. Timothy Riordan of Ireland, one of the best known and popular men in this locality died at the Colonial Hotel of which he was the manager, yesterday afternoon at 3:30 o'clock.

Deceased came directly to this county from Ireland about eleven years ago and secured employment at the Standard Oil Works. Three years ago he purchased the site on Washington avenue where the Colonial hotel now stands and erected the brick building in which he has conducted the hotel since that time.

He was a member of the local Lodges of Y. M. I. and Eagles and was a well liked and active member of both organizations.

Besides his parents the deceased leaves to mourn his loss the following brothers and sisters: Jeremiah, Mrs. Catherine Riordan Pope, Mrs. Nellie, Leary, Mrs. John Buckley, Nonie Riordan, Michael Riordan. He was a brother of the late Patrick and John Riordan. All of his relatives are residents of Ireland with the exception of his brother Jeremiah and his sister Mrs. Catherine Pope who lives in Richmond.

Riordan was 31 years of age. The funeral will be held Monday morning at 10 o'clock from Our Lady of Mercy Catholic Church where a High Requiem mass for the repose of the soul will be celebrated. The remains are at the Bert Curry Undertaking parlors where they will be held until the funeral takes place. Interment will be made in St. Josephs cemetery.

A special meeting of the Young Men's Institute has been called for this evening at Polytechnic hall when arrangements for the conducting of the funeral will be made.

MORE MONEY IS REQUIRED BY CHARITY INSTITUTION

Reverend P. E. Peterson of the First Methodist church speaking for the Richmond Social Service Bureau which met last evening and transacted much important business, stated, "We are in need of funds. So many cases have been brought to our attention during the past month that it has been impossible for us to give them all the attention which we feel they should rightfully receive. We have made every effort to handle this situation but find that our assets are not equivalent to the demand for assistance that is continually requiring our attention. The Bureau at present finds itself about fifty dollars in debt."

A committee consisting of M B. Roberts, P. E. Peterson, Mrs W. W. Felch and Mrs. C. S. Gibson was appointed last evening and instructed to devise ways and means for the raising of more money with which to carry on the work.

Among many other requests for aid an unusual demand for clothing and shoes for school children has appeared. Nine children were provided with shoes during the past month but due to the shortage of funds the Bureau announces that there are still numerous instances where the children are unable to attend school during the present bad weather because of the absence of shoes.

The meeting last evening at the Presbyterian church was one of the best attended which has been held of late by the organization. City Attorney D. W. Hall was re-elected to the position of Superintendent of the Bureau and Mrs. J. O. Watson was named as Secretary.

The committee on ways and means is to hold a meeting within the next few days to be designated by the chairman, when the members will report on progress made.

Mrs. J. W. Gerlach and W. B. Jenkins were appointed on the committee to meet with the committees from other lodges and organization on Sunday afternoon to make arrangements for the charity ball which is to take place at East Shore park in the near future.

A Finance Committee was appointed, consisting og W. L. Lane, Charles Johnson, and Geo. Henley.

D. J. Hall, Mrs. Gelach, and M. B. Roberts were named as the by-laws committee.

Reverend P. E. Peterson, Mrs. W. W. Felch, and M. B. Roberts were appointed as an advertising committee which is planning to carry on a campaign for the increaseing of the membership of the Social Service Bureau.

Thirty families have been assisted by the Bureau during the past month.

The City Council and a committee from the Merchants association which were to have held a meeting night before last to discuss the removal of the business tax did not meet on account of the absence of two of the councilmen.

News Thanked For Aiding Kuchia Child

The News wishes to extend its sinrere thanks to those big hearted persons who have so nobly responded to the appeal made through these columns to rthe relief of little Francis Kuchie whose touching case caused Dr. C. R. Blake to volunteer his services to perform an operation free of charie.

Dr. Blake last evening thanked the News for the active part taken in bringing the case to the attention of the public.

Dr. W. R. Scroggs when appraised of the little girl's pitable plight also offered his free assistance in administering the anaesthetic. The operation will be performed Sunday afternoon at the Craven hospital. The left eye will be removed which will destroy the infection that is threatening the right eye. The missing member will be replaced with a glass eye

Additional contributions were received at the News office last evening. A. S. Reed gave fifty cents and H. Carlson one dollar.

One of the largest individual donations was made by Geo. W. Cushing, well known local contractor who left $10 at the office of an evening newspaper. The Local Lodge of Moose also collected $6 from its members and added it to the fund.

STAFILARES IS MANAGER OF D'ITALIA

Tony Staffilares, manager of the hotel D'Italia resents the publication of an article in an evening paper which states that Steve Lamuth, held in the city jail on a statuatory charge is the manager of the hotel.

Stafilares believes that he and his place of business are well enough known to the public that such eronious statements which are a detriment to him and to the hotel and certainly should not be made. He states that Lamuth is in no way connected with the management of the hotel.

FINISH WORK FOR THE RELIEF OF JEWS

Reuben Horvies, who in connection with his sister Miss Dora Torvitz and Mrs. A. B. Dickstein is conducting a campaign in Richmond to enlist financial aid for the Jewish Relief fund, reported last night that nothing had been added yesterday to the fund of $53 which was raised Taursday. Private business prevented those in charge of the work continuing yesterday. Mr. Horvitz said the work would be resumed today and that he hoped to more than double the fund before night.

DIRECTORS FOR CHAMBER OF COMMERCE ARE ELECTED

A borad of Directors for Richmond's thriving new Chamber of Commerce was elected at the meeting which took place last evening at the Lincoln school: They are as follows:

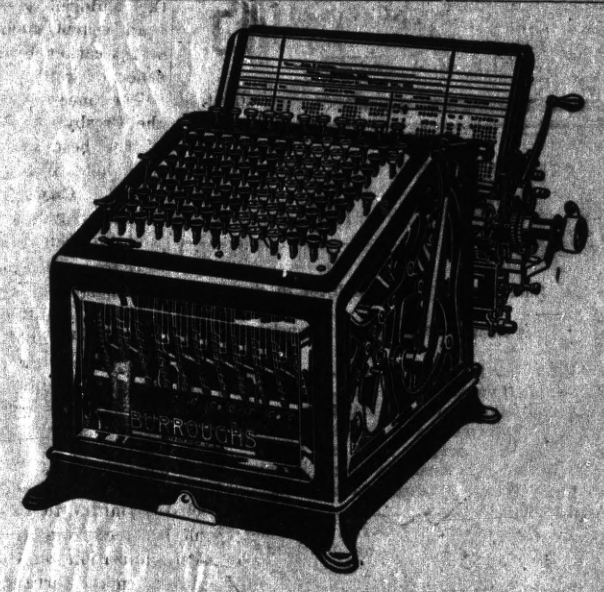
J. F. Brooks, J. C. Owens, Reverend Frank Linder, G. A. Follett, E. J. Garrard, G. E. Milnes, W. L. Ballenger, D. A. Knowles, Fred S. Newsom, C. M. Brewer, C. B. O'Hara, Chas. G. Yonce, W. L Lane.

A set of by-laws were adopted but any alterations which are deemed necessary may be made by the vote of the majority of the members.

C. A. Donnelly, A. C. Faris, and D. A. Knowles were named as a committee to look up the matter of the by-laws.

It was decided that the Chamber of commerce will meet every Friday evening. The next meeting, on next Friday evening will take place at the Lincoln school when arrangements will likely be made for a regular meeting place for the organizatinon.

Officers will be elected by the directors at the next meeting.



How a Machine Does Our Bookkeeping

We have installed a remarkable machine in our Accounting Department—a machine which adds and subtracts, tells the date, keeps our books and gets out monthly statements. It does all this work much faster than any bookkeeper could, and has never been known to make a mistake.

The Installation of this Burroughs Bookkeeping Machine means that our accounts will be handled just as rapidly and accurately as those of the largest and most up-to-date banks in the country.

Even if you are not at all familiar with bookkeeping, you can see at once the great advantage of a printed ledger page over the old-fashioned hand-written sheet.

INSURES ACCURACY

The fact that our figure work is done on a Burroughs is a guarantee to our customers of absolute accuracy in the handling of their accounts. The machine method of ledger posting makes it impossible for a mistake to get past unnoticed. This accuracy insurance alone is important enough to you and to us to justify the use of the machine method, but there are many other advantages.

BETTER SERVICE TO YOU

The Burroughs will handle our figure work in about half the time formerly needed. This gives us more time for other things—time to improve the service in every department of the bank.

Come in and see our machine bookkeeping system in operation. We will be glad to show you how the machine makes entries in our books, how it automatically adds in one column, subtracts in another and so on and how it makes mistakes impossible. You will be welcome any time.

We don't want you to think of the First National Bank just as a place to deposit your money, although of course we are glad to have you keep as large a balance with us as possible. It is our desire to render our patrons every service and accommodation that can be reasonably expected from us.

Talk over your business problems with us. It is part of our work to study business and financial conditions, and it may be that we can suggest some ideas that you will find worth while. Please feel free to consult with us at any time.

HOPE FOR THE FILIPINOS—AND US

The present would be a most opportune time for an act of Congress providing for Phillipine independence; and if Congress has not been too severely bitten with imperialism such an act may be passed. It seems that the American residents of the Phillipines, who number altogether about one-tenth of one percent of the entire population, are not in favor of independence, but that most of the Filipinos, speaking mildly, are for it. There are very good reasons for believing that the Filipinos can govern themselves reasonably well. We can govern them more efficiently, of course, but it is, or has been, an American tradition that liberty—good old word!—is better than efficiency.

But the Fiipinos are "efficient" enough, whatever that overworked bit of industrialized jargon may mean. Filipino children are not compelled to go to school, but half a million of them do go, and it is estimated that another half million would go if here were room for them. This is not bad for a population of eight millions, of whom a million or so might be called savages. In 1903 almost half of the population, from ten years up, could read; probably the percentage is much higher now. Manila has a university which is older than Harvard. Before the Spanish war there were, according to Senator Shafroth, 5000 students in Manila universities.

There are now 9306 native school teachers, giving instruction in English. In the civil service there are 7394 Filipinos and only 1987 Americans. The chief justice of the Supreme Court, and two of the associated justices are Filipinos; in the courts of first instance there are 22 Filipino judges; all the municipal courts are administered by Filipinos. The attorney-generay is a Filipino and so are nearly all his staff. The suffrage has been rigidly restricted, but of the few who are allowed to register 95 per cent vote. So it may be that the Phillipines could toddle along very well without us after a few more years.

Of course, we would reserve naval bases—in case that there isn't room for all our navy in the ports of the United States, after the Navy League has succeeded in getting all the iron, copper, nickle, etc., in the country, hammered and smelted into battleships.

But a policy leading toward Phillipine independence would have a great influence all over the world, if we entered upon it at this junction. It would be the same as making a public declaration that the rest of the world is not to take our munitions patriots, our big-business patriots, and our plain hot-air patriots, in all their infinite varieties, with such deadly seriousness as they take themselves. It would be a formal notification tha we do no intend to make homely old Uncle Sam play the militaristic and navalistic part of a course, swaggering, undemocratic bully. It would be a distinct step toward a higher order of international ethics.

But some o fthe preparedness people will sit on the fence and yowl. What, they will beg to inquire, is the use of their working themselves into patriotic fits to get us a great navy and a great army if we deliberately adopt policies which reduce the opportunities for war?

PIONEERS ENJOY ENTERTAINMENT AT HOME OF MRS. JAMES C. BLY

The Ladies Aid society of the First M. E. Church met at the home of Mrs. James C. Bly yesterday afternoon at 109 Monticito street where an unusually interesting time was enjoyed.

After listening to a good old fashioned program they were intensely interested in talking over old times when Richmond was not much more than a wheatfield and railroad station.

Mrs. James C. Bly, the hostess states that on account of the tales told would certainly make interesting reading if it were possible to remember all that was said.

The program consisted of the following numbers.

1. The Old song dead to all, "America" by those present.
2. Recitation, "Gone with a Handsomer Man", Mrs. S. F. Jenkins.
3. Vocal solo, Mrs. S. F. Jenkins.
4. Recitation, They have got a new church organ, Paul Dunap.
5. Vocal Duet, Reverend Peterson and Mrs. C. Bradley.
6. Funny Story, James Lester.
7. Talks by all of the pioneers.

Following the rendering of the program refreshments were served.

Those who attended were Mesdames, Sam Curry, E. J. Garrard, C. L. Abbott, P. C. Campbell, H. J. Stidham, E. Howland, J. W. Walker, S. F. Jenkins, Bliss Brothers, R. L. Fernald, H. C. Conn, C. Adams, T. Gibbons, J. Van Horn, J. Lester, R. Connolly, James C. Bly.

Others present were: Mesdames Cox, Grover, Bradley, Stout, Wilson, Gerlach, Totten, Freeman, Bryant, Peterson, Malone, and Curl. Also Reverend Peterson, Misses Lindah and Verna Peterson, Miss Uldine Adams, and James Lester.

CONTRIBUTED

Editor Daily News—

We of the present but dimly remember of the stage coach men who were put out of business, mhose means of living was actually confiscated by the introduction of railroads. Still more remote is the rioting, the smashing of power looms and other labor displacing machinery by the workers who saw their incomes threatened. The misery of the child slaves of the cotton mill of that early time, who were sometimes tied to the looms to prevent leaving work, is forgotten, and because the ruin of the stage coach was counter balanced by the prosperous development of a new country it is treated as non-existent. In both instances the victims of progress ware helpless. The new state of things was better for the people as a whole, that was sufficient.

The program is being repeated at present, except that the victime of new invention, instead of being poor useful workers, are rich useless idlers. The jitney beats the street car as a means of transportation, and only because the owners of the antiquated system are rich and therefore powerful, we have a fight on our hands FOR THE RIGHT TO USE AN INVENTION THAT HAS PROVED TO BE A NECESSITY.

In this case the corporation could not play the old game of buying up a patent right that threatened them, the thing is already in use and the fight cannot be made although in the dark.

It is refreshing to hear the threat of the corporation throwing up its franchise in Richmond if the jitneys are allowed to run. How many remember what was paid for that franchise, its terms and duration? What is its value, of the miserable jitneys can be forced out? Richmond has nothing to fear from the threat to discontinue the street car. The jitney, as now, and in the improved forms that would rapidly follow would give better and cheaper service than the street car can, certainly under corporation ownership.

The corporation is fighting for nothing but its dividends, gained by charging moref or ransportation than it costs as much more a spossible. Jitney drivers are simply trying to earn a living. That the granting of franchise (giving is a better word) carried the obligation to forbid competing invention for a half century is absurd.

The people of Richmond can be depended on to sustain the jitneys by referendum vote if necessary.

NO BASEBALL AT MARTINEZ

MARTINEZ, January 28—Joe Mack's statement to Doc Mockinman is the first decision given by him as to the baseball situation for this year. Joe had hopes of finding some sort of a place for a diamond but to Moskiman he declared that there is not a chance to land a park.

"I can't figure on a place far removed from the center of the city," said Joe. "Fans will not walk their feet off for a game, and it's no use of trying. I guess I might as well make up my mind that the game is dead and forget baseball for 1916."

SUESFORRETURN OF PAYMENTS

Claiming that the location of a lot was misrepresented to him and the J. L. Schleimer, agent for the Greater Richmond Land company, sold him the property in North Berkeley Terrace claiming it adjoined the Standard Oil works and the Berkeley Steel company, Edward Angel today brought suit to recover $740 he had paid on the property.

Angel declares he told Schleimer he wanted to start a music store and was told it was in the center of the city of Richmond and ideal for the purpose. The total cost of the lot was to be $1100. Angel had bought the lot on August 7, 1913, but waited until last year to see it.

MORRIS VISITS PITTSBURG TO GET LINE ON BOXING TALENT

MARTINEZ, January 28—Doc Morris who will stage a series of four round bouts here next month, paid a visit to Pittsburg yesterday and was given the glad hand all along the boulevard. Doc is out looking over the county talent and he got a list of some likely looking lads while up country.

"All I ask is that the fans wait and pass judgement on my cards," stated Morris. "I am getting together a hummer for the opener and I promise that the card will be given and no substitutes.

"The outside boxers will have to report in this city by 6 o'clock the night of the contest and the very first one to fail to keep the agreement is done as far as I am concerned. The cards will positively start at 8:30 o'clock and there will be no delays. When one bout ends the boys in the next one will climb through the ropes."

TRAIN KILLS P. MURPHY

Patrick Murphy, employee of the Shey company, met instant death Thursday night as he stepped in front of east bound train No. 26, which was switching near the cattle corral west of the depot.

So far as the officers have been able to learn Murphy's death was unavoidable on the part of the S. P. passenger crew. He had been drinking all of yesterday and became a nuisance about the depot and was ordered away.

He started down the track, evidently highly intoxicated. As the train passed he fell in front of it and the cow catcher struck him in the head, fracturing his skull. Emergency brakes were applied by the engineer, and the man was carried to the depot where it was found that he was dead.

CONSTABLE DAVIS ILL

Constable Davis of Stege is reported to be seriously ill at his home at Stege. Davis is suffering from an attack of backk ktrouble the effects of which have made it impossible tol leave his bed.

Edward N. Hasey was foreman of the jury. The remaininp jurors were K. E. Williams, L. G. Mulford, Charles H. Dupain, W. C. Watkins, L. Lumsden and C S. Washburn.

The witnesses who testified in the case were Pete Jeyetta, who was with Manzi when the accident occured, D. Rapoldi, A. J. Moller, and Dr. U. S. Abbott.

COURT FIXES BURY RULE

In order to settle the question as to what portion of the mileage and jurors' fees the county should pay and what portion should be borne by the litagents, when a civil action is being tried, Superior Judges A. H. McKenzie and R. H. Latimer held a conference late Thursday afternoon.

The judges decided that the county will pay the mileage of the whole panel the first day while the litagents each put up $18 to pay the per diem of the jurors. On the second day and every day thereafter the litigants must pay both the per diem and the mileage, the mileage for the opening day also being added.

NEW CHARTER FOR MARTINEZ

It is ruderstood that a movement has been set on foot at Martinez for the drafting of a new municipal charter. Martinez, like Richmond feels that the city has outgrown the lity government that was prepared for it in the days when it was considerably smaller in size and importance.

WIFE DESERTER IS INTERCEPTED

Albert Mejia sought on a complaint for failure to provide for his wife and a minor child was taken into custody at 2 o'clock yesterday afternoon by officer Kirkpatrick. The child is but nine months old and the mother declared that is was in need of medical attention which she was unable to secure.

SCHOOL MONEY APPORTIONED

County Auditor A. N. Sullinger made his report yesterday as to how the apportioned $103,063.61 school taxes to the various districts throughout the county. The apportionment is placed to the credit of the teachers' salary fund and the library fund is computed so as to allow each district the maximum as allowed by law.

The fifty-six districts of the county have 188 teachers and an average attendance of 5753. To the teachers' salary fund, $50,033.18 is given, and to the general school fund a similar amount. The county library gets $2890. There is a balance of $306.96 unapportioned.

Richmond gets the largest sum $32,486.94. We have 58 teachers and a daily attendance of 1899.

ATTHE RICHMOND

A father, unknowingly, persecuting his own son, is taken as the theme of the production, "Unknown," which will be the attraction at the Richmond theater tonight, with Lou Tellegen, the celebrated romantic actor in the stellar role.

The story of "The Unknown" has to do with members of the famous foreign legion, that great military sanctuary of Algeria. A young Englishman, whose father had disappeared years before, joins its ranks and is assigned to the company commanded by "Devil" Desmarets. The handsome private rescues an American girl from an Arabian dance hall and later saves her from the unwelcome attentions of his captain. For this, Destinn persecutes him, until finally he is ordered to bes hot as a mutineer, even though he saved the captain's life in a fight with some Arabs on the Desert. How he is rescued by the American girl, disguised as an Arab boy, and is found by the Captain, who recognizes in him his own son, and is permitter to seek happiness with the girl, are but a few of the unusual instances in this gripping drama.

Today will be the last time of a very splendid bill and thise who delight in a program that is well balanced will be more than pleased with the offering. In addition to the headliner the Hearst-Selig Current events and the comedy attractions, "The Hoodo's Busy Day" and George Ade's latest fable Escape of Arthur and Salvation of Herbert.
